Air bags(b)				
Next-generation driver and front passenger air bag with passenger air bag on/off switch(c) and knee blockers _____	S	S	S	S

(a) Other tire sizes and brands may also be used.

(b) Certified to federal regulations that allow less forceful front air bags. Always use seat belts. Children 12 and under should always be in a back seat correctly using an infant or child restraint system, or a seat belt that is right for their age and size..

(c) Important—Always remove key and replace cover. Rearward-facing child seats may be used in the front seat only with the passenger air bag turned off.
